

RESPECTFUL**RESPONSIBLE****RESILIENT**

The **Our Lady Help of Christians Wendouree School Advisory Council** ratified the school fees for the 2024 year at the Annual General Meeting held on 22nd November. Fee statements will be issued in February 2024. The fee statement will be inclusive of all costs, including camps, swimming and other costs in order to allow families the ability to budget over the year. They DO NOT include the ordering of Grade 6 graduation uniform items, nor any fundraising events such as Special Food Days, Raffles, gold coin fundraisers or the like.

It is an expectation that all accounts balances are paid in full each year by 31st October, unless you are already on and maintaining an ongoing repayment plan. We encourage you to please talk to us if you are experiencing any difficulties in meeting repayments. We can tailor a plan to suit your families' situation.

Families will be provided with the Fee Payment Information Booklet for 2024 at the commencement of the school year, which details the many different options available for payment. There are a number of rebates and/or discount options listed in the Fee Payment Information Booklet that some families may qualify for.
